

## Pullwire Kit 868

DEFA PullwireKit 460868 contains of a tool to guide the DEFA PlugIn extension cable through narrow areas over a longer distance. The kit is most useful when guiding DEFA PlugIn extension cables in busses and boats.

The kit contains of two 1m extensions, one 1m extension with a DEFA PlugIn "male" contact and one 1m extension with a DEFA PlugIn "female" contact. All the extension got a threaded sharp end and the two extensions without a PlugIn contact got a threaded bushing (A) in the other end.

(B1) is to be used on the DEFA PlugIn extension cables "male" contact. (B2) is to be used on the DEFA PlugIn extension cables "female" contact.

DEFA AS is conforming to the requirements of both ISO 9001-2008, ISO 14001:2004 and OHSAS 18001:2007. In addition to this, our engine heaters and cables are conforming to the requirements of ISO/TS 16949:2002.

### Item number

460868 (Brutto weight: 200 gr.)
