

Be ready to go when you are.

Life is filled with important and magical moments, don't miss them due to a dead battery. DEFA On-Board battery chargers reduce the risk of a vehicle failure due to a discharged battery. Sleek look, safe and easy for anyone to use.

DEFA On-Board charger, ready to go when you are*

DEFA On-Board battery charger
Enjoy the magic

The On-Board charger can be expanded to a zero idling and preheating system, called DEFA WarmUp.

Visit www.defa.com/ca or call 1-888-539-DEFA (3332) to find a participating dealer in your area.

*In order to function properly, Charger must be plugged into a functional, household 120V power outlet.
